Valley & Aetna's Annual Product Show

Valley & Aetna's 12th Annual Product Show is right around the corner. Come join us here at Valley on Wednesday, March 7th 2012 from 5pm - 8 pm. Meet and greet with the vendors, see new products and learn of ways to save money. Also enjoy a free dinner, door prizes and more . . .

This year we are targeting all the ladies for our grand prize. In order to qualify, all ladies must be present at the time of the raffle. This year's grand prize is a Diamond Pearl Bracelet. For more information or to register, contact Rori at 860-653-0010.

Valley & Aetna introduces Azek Vast Pavers. This product is made up of 95% recycled materials. It is available in 5 colors. Each Pavers uses a patented grid system that reduces installation time and takes the frustration out of manually setting and aligning heavy concrete Pavers. It resists scratches less than concrete Pavers. For more details call your Valley rep.

Valley & Aetna is having a **Winter Blowout Special** on siding. Call Valley for more details. *Hurry while supplies last!*

Important Price Information: As of February 4th, Everlast Metal Roofing is going up 5.5%. As of March 19th, Plygem Windows are going up 5%.
